

“YEAR OF LOVE” PROGRAM

This program is an on-going opportunity that volunteers can join at any point in the year. We have determined our greatest needs and have designated a different activity or donation for every month. This is a great way for students or families to support our House on a regular basis. Whether you complete an activity for one month or 12 months, you’re providing valuable support to our guest families. We welcome having you at the House when making a delivery to RMH between 8am-8pm, 7 days a week, throughout the month.

“Year of Love” Certificate: Complete 12 consecutive months of the program and earn our “Year of Love” certificate! You can register for the certificate program by contacting our Volunteer Services Manager at (704) 335-1191. To earn a certificate, you must register with RMH in order for us to track your contributions.
